Notice of Public Rights under the Americans with Disabilities Act

The New York State Office of Parks, Recreation and Historic Preservation (OPRHP), in compliance with the Americans with Disabilities Act (ADA), does not discriminate on the basis of disability in OPRHP practices and policies, or the provisions of its programs, services, and activities.

OPRHP will make reasonable modification to its practices and procedures to ensure that people with disabilities are afforded equitable access to its programs, services, and activities. The ADA does not require that the OPRHP take any action which would fundamentally alter the nature of its programs, services, or activities; or impose an undue financial or administrative burden.

According to the [OPRHP Patron's Request for Reasonable Modifications](#) and [OPRHP Auxiliary Aids and Services](#), individuals who are requesting a reasonable accommodation to a program, service, or activity; or who require auxiliary aids or services for effective communication, should contact:

Owen Gilbo, ADA Coordinator
NYS Office of Parks, Recreation & Historic Preservation
625 Broadway
Albany, NY 12238
Voice: (518) 402-2648
Email: Owen.Gilbo@parks.ny.gov

It is preferable that requests be submitted to the ADA Coordinator 14 days prior to the program, event or need.

Individuals alleging discrimination on the basis of disability in OPRHP practices and policies, or the provisions of its programs, services, and activities may file a grievance following procedures of the [OPRHP ADA Grievance Procedure](#).

If you have questions or comments on this notice, please contact OPRHP's ADA Coordinator.
