

Bow Hunting at Taughannock Falls State Park

New York State Hunting License with bow stamp required.

New York State Department of Environmental Conservation and New York State Park Rules and Regulations apply.

Safety Zones and Restricted Areas are posted to insure the safety of other park patrons and park personnel. If a wounded animal enters one of these areas, hunters shall report this to the Park Police or other park personnel, and an escort will be provided.

All wounded animals not taken shall be reported to the Park Police or other park personnel.

No person shall injure, destroy, deface, tamper with or cut any real or personal property, tree or other plant life. Also, no permanent blinds shall be erected in or on any tree or shrub. Portable tree stands are permitted.

Report all accidents or personal injuries.

If parking along a public road or highway, you must be off the paved surface.
